1

Is it packaging?

Put it in the recycling bin !

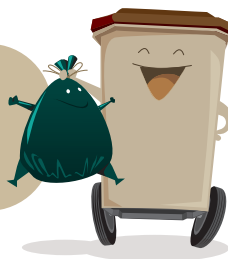

Note: only packaging can be recycled, other objects and crockery cannot be recycled.

2

There is no need to wash the packaging. Just make sure it is empty.

Household waste

Brown bin = Bagged waste

FOOD WASTE

Leftovers, fish remains

If you can, compost your biodegradable food waste !

PLASTIC OBJECTS

(excluding bottles, trays and pots) - Note: VHS included

SHREDDED PAPERS

SANITARY WASTE

Textile collection

Voluntary drop-off point

Shoes

Household linens

Large clothes

Small clothes

All used textiles, linen and shoes can be taken to a collection point to be reused or recycled, irrespective of wear and tear or damage. Clean and dry items must be put in a bag and shoes attached in pairs, and then placed in the dedicated collection containers. There are containers for Relais de Bretagne and the Croix Rouge in each commune and at waste disposal centres.

Waste prevention

RESSOURCERIE - RECYCLING CENTER

You can give your unwanted objects a second life.

3 solutions for disposing of your used furniture and objects in usable condition :

- Donate them to associations, in particular la Ressourcerie* in Lamballe-Armor,
- Local waste disposal centres,
- Voluntary shops.
